

Otonomo to Host Solution Showcase for Investors June 22, 2022

June 2, 2022

HERZLIYA, Israel and SAN FRANCISCO, June 02, 2022 (GLOBE NEWSWIRE) -- [Otonomo Technologies Ltd.](#) (Nasdaq: [OTMO](#)), the platform powering the mobility economy, will hold a virtual solution showcase for investors on June 22, 2022.

The event will begin at 8:00 am Pacific Time (PT) and is expected to conclude at approximately 9:00 am PT.

Chief Executive Officer and Co-Founder, Ben Volkow, Chief Marketing Officer Fred Kohout and members of the executive leadership team including EVP Product Matan Tessler and Founder and CEO of The Floop Aldo Monteforte, will host a series of presentations that will focus on the mobility economy, technology demonstrations of Otonomo's Smart Mobility Data Platform, customer use cases and a Q & A session.

The Otonomo Solution Showcase for Investors will feature a mobility market sizing overview by the PTOLEMUS Consulting Group, and will include the following technology demonstrations:

- Powering Fleet Management Solutions with Connected Vehicle Data
- Creating Products and Services Using Multi-Layered Connected Vehicle Data
- Mobility Intelligence Powering Actionable Insights for Electric Vehicles (EV), Mobility as a Service (MaaS) and Urban Planning
- Connected Insurance Technology for Safer and Smarter Mobility

Participants are encouraged to pre-register [here](#) to receive the Event Zoom Link. For more information regarding this event, please visit Otonomo's Investor Relations website at [investors.otonomo.io](#).

About Otonomo

Otonomo (NASDAQ: OTMO), the platform powering the mobility economy, is igniting a new generation of mobility experiences and services. With Otonomo, providers in the transportation, mobility, insurance, and automotive industries are finally able to harness mobility data and insights and transform them into strategic assets and market advantages.

Our partners gain access to the broadest, most diverse, range of data from connected vehicles, mobile phones, public transport, EV infrastructure, and MaaS with just one contract and one API. Vehicle and multimodal mobility data is reshaped and enriched to provide deep visibility and actionable insights and empower planning, deployment, and operations.

Architected with privacy and security by design our platform is GDPR, CCPA, and other privacy regulation compliant, ensuring all parties are protected and companies remain privacy compliant across geographies worldwide.

Otonomo has an R&D center in Israel and a presence in the United States and Europe.

Forward Looking Statements

This announcement contains certain forward-looking statements within the meaning of the federal securities laws, including statements regarding the services offered by Otonomo the anticipated technological capability of Otonomo, the markets in which Otonomo operates and Otonomo's projected future financial and operational results. These forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this announcement, including but not limited to, the ability to implement business plans, forecasts, and other expectations, the ability to identify and realize additional opportunities, and potential changes and developments in the highly competitive data marketplace. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in Otonomo's annual report on Form 20-F filed with the SEC on March 31, 2022 and other documents filed by Otonomo from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and Otonomo assumes no obligation and does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Otonomo gives no assurance that it will achieve its expectations.
